- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.  
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Ex. Eashoo noted that applicant's arguments regarding a plurality of distribution modules (clms. 18-20) was persuasive and suggested adding such limitation into claims 1 and 6. Mr. Gelling proposed that the structure of the critical distribution requirements be better defined in claims 1 and 6 by clarifying that the regions "have non-uniform flow areas" (shown in drawings). After review, Ex. Eashoo agreed to make the proposed change as Mr. Gelling suggested to claims 1 and 6 by Exr. Amdt..
